### **DETAILED ACTION**

1. This office action is in response to the amendment filed on November 30, 2004, in which claims 1-7, 9-15 and 17-20 are presented for further examination.

#### ***Information Disclosure Statement***

2. The information disclosure statement (IDS) filed on December 13, 2004 complies with the provisions of M.P.E.P. 609. It has been placed in the application file. The information referred to therein has been considered as to the merits.

#### ***EXAMINER'S AMENDMENT***

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steven C. Lieske (Reg. No. 47,749) on March 1<sup>st</sup>, 2005.

The application has been amended as follows:

#### ***In the claim***

In claim 1, line 1, please delete "controlling the collection", and insert --controlling a data collection--;

In claim 9, line 1, please delete "controlling the collection", and insert --controlling a data collection--; and

In claim 17, line 1, please delete "controlling the collection", and insert --controlling a data collection--.

***Allowable Subject Matter***

4. Claims 1-7, 9-15 and 17-20 are allowable light of the applicants' arguments and in light of the prior art made of the prior art made of record.

***Reasons for Indicating Allowable Subject Matter***

5. The following is an examiner's statement of reasons for allowance: Upon searching a variety of databases, the examiner respectfully submits that “transmitting a first signal to initiate retrieval of network performance data and network event data, wherein the network performance and network event data are generated from a network monitor that monitors a network system and then relocates the data into a common directory; extracting data from tables stored in the database and a purge program for deleting records from the database” in conjunction with all other limitations of the dependent and independent claims are not taught nor suggested by the prior art of record (PTO-892 and 1449). Therefore, all pending claims 1-7, 9-15 and 17-20 are hereby allowed.

Since allowable subject matter has been indicated, applicant is encouraged to submit formal drawings in response to this Office action. The early submission of formal drawings will permit the Office to review the drawings for acceptability and to resolve any informalities remaining therein before the application is passed to issue. This will avoid possible delays in the issue process.

Art Unit: 2162

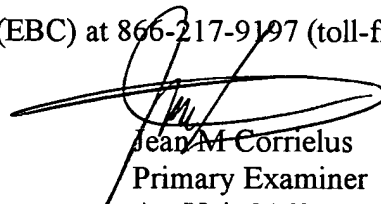

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
